Join us in the Devoteam Adventure!

Devoteam Belgium is a strong **professional services** player active in the Digital World of IT, Telecom and Media. In Belgium, we have a team of 250 highly skilled professionals in Digital **SMACS**:

Social, **M**obility, **A**nalytics, **C**loud & **S**ecurity

connected with an international Group of 4600 colleagues in 17 EMEA countries.

If you have:

- ❖ A drive for testing and test automation
- ❖ Skills needed to handle or interest in test reporting
- ❖ The go-getter attitude to take initiative
- ❖ The ability to ask the right questions to show that you are focussed and interested
- ❖ Knowledge of root-cause analysis and scripting
- ❖ The common sense needed to function well in a professional environment
- ❖ Fluent in Dutch and/or French as well as a good working knowledge of English

We offer you:

- ❖ A challenging and variable job in an international and dynamic company. Thanks to the personal follow up, we are able to provide real career opportunities and planning.
- ❖ An attractive and competitive remuneration package with company car, group assurance and DKV.
